In consideration of the fact that EMICS'12 undertakes to publish my article:

1. I affirm that the material in the above article has not been previously published and that I own and have not transferred elsewhere any rights to the abstract.

2. I affirm that I have obtained written permission to use any previously copyrighted material included in the article and that such documentation will be forwarded to EMICS'12 for its files. I further affirm that I have stated any possible conflicts of interest within the article.

3. I hereby assign and transfer to EMICS'12 all rights of copyright ownership to the article, including without limitation all rights of reproduction, derivation, distribution, sale, and display of the work, in whole or in part, including recompilation, in any and all forms of media now or hereafter known, including digital media, as protected by the laws of the United States and foreign countries. These rights will become the property of EMICS'12 from the date of acceptance of the article for publication and extend for the life of the copyright.

I sign and accept responsibility for transferring copyright of this article to EMICS'12.
